

**Double 1x Switch & 1x Module Plate Round EU – Paintable**

39004

Using our components, you can create any combination of switches or sockets that you need.

This paintable double 1x switch and 1x module plate works with one of our toggle switches or our rotary dimmer switch and one of our round socket modules.

- Patented electrical system engineered to make our signature flush-fit design possible
- Made from solid brass
- Etch primer allows paint to adhere well for a seamless custom finish
- Ultra-slim 1.5mm, flush-fit plate
- Screwless face
- Must be installed with our double back box
- You'll also need our 9mm render trim for brick walls or 3mm plaster trim for skimmed plasterboard
- Use our precisely sized brick or plasterboard hole saw for easy installation
- Metal die-cast chassis
- Finished in etch primer
- Can be fitted horizontally or vertically
