

Canning Covered Key Escutcheon – Bronze

10989

Our Canning covered escutcheon will fit seamlessly over standard keyholes.

It'll help to keep draughts at bay, provide privacy and protect your door against key scratches.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

- Made from solid brass
- Pairs perfectly with our Digby and Harper door handles
- Sold individually
- Suitable for interior and exterior doors
- Supplied with 14mm slotted wood screws
