

Mews Hook - Polished Nickel

11457

This hook is familiar but done right with plenty of room for your towels and winter woollies.

Use on its own or in rows for more storage space in your airing cupboard or built in wardrobe.

Polished nickel is our answer to chrome. It's a bit warmer, which we think is more versatile, so you can use it with warm or cool colour palettes.

- Dimensions: base diameter 42mm, height 150mm, projection from wall 80mm
