

## Baylis Double 50mm Spotlight - Antique Brass

11595

The Baylis double ceiling spotlight sits neatly with a small rose and discreetly set screws.

Its smooth ball joint rotates 320° and tilts 180° to light up specific areas of a room.

Antique brass is what's called a 'living' finish because it reacts to the air and moisture around it, causing it to darken (especially in the areas you touch most). We've given it a head start by ageing it by hand, so it has that antique look right out the box.

- Fits two 50mm bulbs
- Also available in [35mm](#)
- Match with any of our antique brass [switches and sockets](#)
- Antique Brass takes 1-3 months to darken and mature. The product in this picture is one month old.
- Dimensions: Shades, L97mm x Dia. 60mm each; mounting rose, L230mm x W50mm
- Rated IP20 - suitable for kitchen use and in Zone 3 of bathrooms
- Cut out hole 10mm
- Use with 2x 50mm energy saving GU10 bulbs, not included
- Installed onto a steel mounting plate for a secure, tight fit
- No driver required
- Cable length: 200mm
