

Canning Thumbturn – Bronze

13047

Canning is a discreet, modern thumbturn that'll sit quietly and harmoniously below our lever door handles.

Use it in conjunction with one of our tubular locks to secure your interior doors.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

- Made from solid brass
- Two-part design with thumbturn and emergency release coin turn
- Designed to complement our lever door handles
- Use with our 60mm or 100mm tubular locks
- 5mm x 5mm spindle included
- Must be fitted in conjunction with a tubular lock
- Suitable for interior doors only
