

Kilburn Furniture Handle 224mm - Bronze

13123

This simple design looks great on all kitchen cabinets and drawers.

The slimline back plate is discreet but will still protect your furniture from finger marks or scratches.

Match with the [Kilburn Furniture Knob](#) on smaller cabinets for a coordinated look.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

- Made from solid brass
- Pair with [hooks](#), [shelf brackets](#) and [switches](#)
