

Kilburn Furniture Handle 224mm - Polished Nickel

13565

This simple design looks great on all wardrobes and dresser drawers.

The slimline back plate is discreet but will still protect your furniture from finger marks or scratches.

Polished nickel is our answer to chrome. It's a bit warmer, which we think is more versatile, so you can use it with warm or cool colour palettes.

Match with the [Kilburn Furniture Knob](#) on smaller cabinets for a seamless look.
