

Perryn Double 50mm Spotlight - Polished Nickel

15060

The electric connections in the Perryn double ceiling spotlight are tucked away, while a spring mechanism secures the mounting plate to plasterboard.

Its smooth ball joint rotates 320° and tilts 180° to light up specific areas of a room.

Polished nickel is our answer to chrome. It's a bit warmer, which we think is more versatile, so you can use it with warm or cool colour palettes.

- Fits two 50mm bulbs
- Also available in [35mm](#)
- Match with any of our polished nickel [switches and sockets](#)
- Dimensions: Shade, L88mm x Dia. 42mm; mounting plate, L230mm x W50mm
