

Barlow Furniture Knob - Bronze

18202

This small and simple cabinet handle works well on any furniture.

Use it on its own for smaller cupboards or double up for wider drawers.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

It matches perfectly with our [hardware range](#).

- Ideal for upcycling old cabinetry
- Made from solid brass
- Pair with matching [shelf brackets](#) and [hooks](#)
- Dimensions: Height 31mm x Diameter 28mm.
- The screws supplied suit a 15-20mm door. For thicker doors, find longer screws on the spares page.
