

Harper Push Plate 400mm - Polished Nickel

19523

Made for doors that don't need handles on both sides, our push plates go perfectly with the [Harper Single Pull Door Handles](#).

They'll protect your doors from finger marks and scratches while adding character to your home.

Polished nickel is our answer to chrome. It's a bit warmer, which we think is more versatile, so you can use it with warm or cool colour palettes.

- Made from sturdy solid brass
- Comes with all screws and fixtures
- Match with coordinating handles, locks, latches and doorstops from the [polished nickel collection](#)
- 400mm x 60mm Push plate and self-tapping wood screws included.
- 384mm x 44mm hole spacing.
