

Triple 45mm Switch Plate EU - Clear Black

34619

Using our components, you can create any combination of switches or sockets that you need.

This clear triple 45mm plate works with any of our rocker switches or 45mm socket modules (just make sure you choose the ones made with black plastic).

- Patented electrical system engineered to make our signature flush-fit design possible
- Made from polycarbonate, which is more flexible and durable than the usual acrylic
- Ultra-slim 2mm, flush-fit plate
- Can be fitted horizontally or vertically
- Must be installed with our triple back box
- You'll also need our 9mm render trim for brick walls or 3mm plaster trim for skimmed plasterboard
- Use our precisely sized brick or plasterboard hole saw for easy installation
