

Double 1x Keystone & 1x 45mm Switch Plate EU - Clear White

36572

Using our components, you can create any combination of sockets that you need.

This clear plate works with one 20mm keystone module and one 45mm socket or rocker switch module (just make sure you choose the ones made with white plastic).

- Patented electrical system engineered to make our signature flush-fit design possible
- Made from polycarbonate, which is more flexible and durable than the usual acrylic
- Ultra-slim 2mm, flush-fit plate
- Can be fitted horizontally or vertically
- Must be installed with our [double back box](#)
- You'll also need our 9mm render trim for brick walls or 3mm plaster trim for skimmed plasterboard
- Use our precisely sized brick or plasterboard hole saw for easy installation
