

Triple 1x Keystone & 2x 45mm Switch Plate EU - Clear White

38137

Using our components, you can create any combination of sockets that you need.

This clear plate works with one 20mm keystone modules and two 45mm socket and/or rocker switch modules (just make sure you choose the ones made with white plastic).

- Patented electrical system engineered to make our signature flush-fit design possible
- Made from polycarbonate, which is more flexible and durable than the usual acrylic
- Ultra-slim 2mm, flush-fit plate
- Can be fitted horizontally or vertically
- Must be installed with our [triple back box](#)
- You'll also need our 9mm render trim for brick walls or 3mm plaster trim for skimmed plasterboard
- Use our precisely sized brick or plasterboard hole saw for easy installation
