

Primrose Small Hanging Wall Light Basalt Grey - Antique Brass

10241

The Primrose Wall Light is a traditional design with a modern style lamp. It'll look great on its own, or have one either side of your bed, dresser or bathroom mirror.

Antique brass is what's called a 'living' finish because it reacts to the air and moisture around it, causing it to darken (especially in the areas you touch most). We've given it a head start by ageing it by hand, so it has that antique look right out the box. Create a contemporary look with the Basalt Grey shade.
