

Richmond Small Wall Light Fine Porcelain - Antique Brass

17967

Our Richmond wall light is a great addition to any garden. It's also ideal on either side of a bathroom mirror or as a bedside downlight.

The fine porcelain shade provides a warm atmospheric glow with absolutely no glare.

Antique brass is what's called a 'living' finish because it reacts to the air and moisture around it, causing it to darken (especially in the areas you touch most). We've given it a head start by ageing it by hand, so it has that antique look right out the box.
