

Richmond Small Wall Light Fluted Glass - Antique Brass

19648

Our Richmond Wall Light is a great addition to any garden. It's also ideal for either side of a bathroom mirror or as a bedside downlight.

Antique brass is what's called a 'living' finish because it reacts to the air and moisture around it, causing it to darken (especially in the areas you touch most). We've given it a head start by ageing it by hand, so it has that antique look right out the box. The fluted glass shade allows for 360 degree lighting and creates a timeless feel.
