

RJ45 Keystone Module - Black

34298

Using our switch components, you can create any combination of plate and switch that you need. Use this Black RJ45 module with any of our Keystone plates to get the combination of sockets you want.

- Patented electrical system engineered to make our signature flush-fit design possible
- Minimal plastic
- Punch Down terminals
- Must be used with our plates and [back boxes](#)
- You'll also need our 9mm render trim for brick walls or 3mm plaster trim for skimmed plasterboard
- Use our precisely sized brick or plasterboard hole saw for easy installation
