

Claremont Small Hanging Wall Light Fluted Glass

Antique Brass 19724

This hanging version of our Claremont fixed wall light is a modern take on a classic design. It'll look great on its own, or have one either side of your bed or dresser mirror. Antique brass is what's called a 'living' finish because it reacts to the air and moisture around it, causing it to darken (especially in the areas you touch most). We've given it a head start by ageing it by hand, so it has that antique look right out the box. The Fluted Glass shade allows for 360 degree lighting and creates a timeless look.
