

Malvern Medium Wall Light Pleated Deep Green

Polished Nickel 18691

Our medium-sized take on the traditional swan neck wall light is scaled up, but still perfectly proportioned. It'll have a greater presence in bigger or high-ceilinged rooms.

The pleated Deep Green shade will give off a soft light and add texture to your interior.

Polished nickel is our answer to chrome. It's a bit warmer, which we think is more versatile, so you can use it with warm or cool colour palettes.
