Power Outlet 15A

White 56253

Using our components, you can create any combination of outlets you need.

This 15A outlet works with our Kew and Grove outlet plates.

Use it to power small household items like lamps, TVs, and computers that don't need a lot of electricity.

- Compatible with Kew and Grove outlet plates
- Made from low-sheen white plastic with a slightly textured finish

Input rating: **15A 125V~**

Outlet type: **Duplex outlet**

Frequency: **60Hz**

Testing standard: **ETL listed**
