Hyde Hook

Bronze 12887

This simple hook design is small enough to be used inside of cupboards, and looks great when used in groups.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

Match these with our Harper door handle and knob range.

 • Comes with matching screws and fixings
 • Dimensions: base diameter 55mm, projection from wall 62mm
 • For more storage solutions pair with our shelf brackets

Fixing supplied : **Masonry wall anchors**

Material: **Solid brass**
