Hyde Hook

Bronze 12887

Simple, minimal Hyde takes its cue from the Shaker-style peg, but we've added a practical little upright post on the end to help keep things in place.

You can use it inside cabinets as well as on walls and doors.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matte brown color that's almost black in some lights.
