# Milliner Cabinet Handle Large

Polished Nickel 15710

A refined take on the classic D-bar handle, our Milliner furniture handle is suited to any style of cabinetry.

Our longest version is just the thing for extra-wide pan drawers and tall cabinets.

Polished nickel is our answer to chrome. It's a bit warmer, which we think is more versatile, so you can use it with warm or cool color palettes.

- Made from solid brass
- Ideal for enhancing new or updating old cabinetry
- Suitable for panel-ready appliances
- Coordinate with our matching Milliner furniture knob
- Comes in three lengths

Screws supplied : **M4 snap-off screws**
