Montpelier Door Stop – Bronze

17391

Protect your walls, baseboards, doors, and furniture with our Montpelier projection door stop.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matte brown color that's almost black in some lights.

- Made from solid brass with a rubber buffer
- Wall-mounted design

Mounting location: **Wall**
