Sycamore Cabinet Handle Large

Bronze 19094

A classic furniture handle with subtle traditional details that'll bring character to your cabinetry.

Our longest version is just the thing for extra-wide pan drawers and tall cabinets.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matte brown color that's almost black in some lights.

- Made from solid brass

- Suitable for panel-ready appliances
- Pairs perfectly with our Barlow furniture knobs
- Comes in three lengths
