## Onslow Unsprung Door Knob

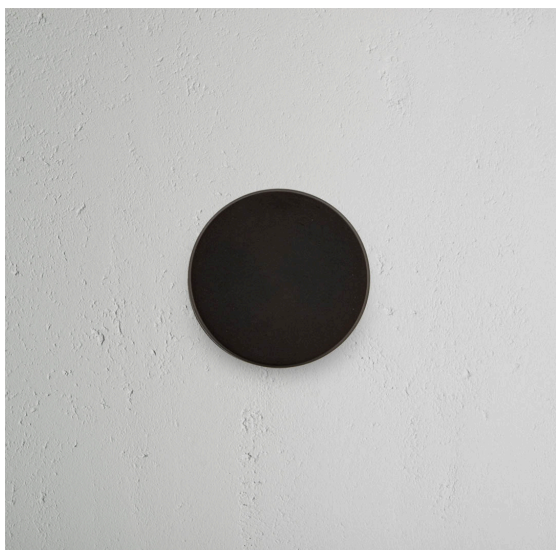

Bronze 14045

Our flat-fronted Onslow door knob is a contemporary alternative to our beehive design.

The knob is unsprung, which means you can use it with an existing sprung latch. To make sure it stays easy to turn, we'd recommend using a lightly sprung latch.

There's also no danger of it coming away in your hand – we've engineered the rose and knob to be inseparable.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.
