ARCHITECTURAL DETAIL

## Apsley Short Plate Fixed Door Handle

Bronze 16626

The tapered lever handle on our Apsley design is sleek and simple, while the low-profile, short backplate gives it a bold, contemporary edge.

The 'dummy' handle doesn't operate a mechanism. You can push or pull it, but it won't turn.

There's also no danger of it coming away in your hand – we've engineered the backplate and lever to be inseparable.

Bronze is our boldest finish, but it isn't shiny or bright, so it has a subtle side to it too. It's a deep matt brown colour that's almost black in some lights.

- Made from solid brass
- 4mm backplate with screwless 'front' side
- Ideal for doors that don't need a latching or locking function
- Suitable for use with a roller catch
- Engineered to fit all standard door thicknesses
- Suitable for interior and exterior doors
